

DAVID HARRIS MP MEMBER FOR WYONG

HARRIS WELCOMES NEW JOBS

Member for Wyong, David Harris recently met with Woolworths who are proposing to expand their existing fresh food regional distribution centre at Warnervale.

“More local jobs means less commuting, more opportunities and more money staying locally.” Said Mr Harris.

“This project represents a confidence boost for the Warnervale employment zone and will potentially attract further industries to the area.” Said David Harris MP.

“Our growing community needs local employment so there are opportunities for our younger generations.” Mr Harris said.

This will see an additional permanent jobs plus construction jobs forecasted for the expansion works is 240.

If approved, the expanded facility would deliver a range of new benefits for Woolworths stores and customers in the Central Coast Region, including:

- *An increased range for customers - more products, more choice.
- *Improved quality and freshness of products through greater efficiency
- *Greater capacity supporting on-shelf availability and customer demand
- *Reduced transport movements
- *New and improved fresh food ripening rooms
- *Provide more space for more products for our communities.
